**Subject:** Follow up: Today's Meeting

Hello, Katherine - As a follow up to our conversation yesterday, FCO Mike Moore will be bringing several SMEs to today's meeting at the Governor's office at 2pm. These SMEs will include experts from Public Assistance, Hazard Mitigation, and Legal. Do you have a list of attendees on your side?

Also, I'm cc'ing Jim Woodard, who is leading our IGA team here. Jim will be accompanying the FCO today and will be our primary POC for all things related to state legislators, local officials, tribal affairs, and state/local organizations. He has a wealth of experience and will support you with anything you need; he will also be looping you in on any outreach activities or inquiries that come from state/local officials. Please let us know if you have any concerns or questions.

Best, hv
