Katherine – here is an update (Cut and paste) on the issue you inquired about yesterday. Amy may be able to update you tomorrow when she visits. Thanks
Kevin

"I called for Mr. Mobley and spoke with his wife, Ann. It is actually her mother that needs assistance exchanging her license for an ID card and applying for a disabled placard."

Mrs. Mobley has my number and we will coordinate getting the required forms.

Thanks,

Amy

Katherine – found out that Larry is on leave this week. Will pass to my Constituent Services Chief and she will contact Mr. Mobley at first light. For what it is worth, we have been working closely with Ms. Kathy Sprayberry on issues for SEN Bright for the last year (at least nine emails to me). I think we have provided appropriate responses each time. Will get back with you on what the issue is AND our response. Thanks

Kevin

Amy – please see note below. Please contact Mr. Mobley when you get in. Would like an assessment of the issue and whether we can help him. Want to provide Ms. Veldran an initial assessment, followed by how we close this out. Thanks!

Larry – when you get back, please go to the Governor's Office and introduce yourself to Ms. Katherine Veldran. Want to ensure you talk to her about your Liaison requirements and how you can support the Governor's Office solve problems. thanks
