Governor Haley,

I want to thank you  
for everything you have  
done for our state.

I also want to congratulate  
you on your nomination to be  
UN Ambassador. It will be  
a challenge but one I know  
you will exceed in.

Please know that we will

keep you and your family in  
our prayers as you continue  
your journey.

You have much to be  
proud of.

Sincerely,  
Pinda Wkita
