Good morning.

I would like to place the letter of recommendation on the LGOA letterhead.

I know Kevin doesn't come in until 8:30 and I will have to leave for a meeting at that time.

Would you mind asking Rene to email you the template this morning, as she gets in early?

Simply forward it and I will put it together.

We simply need the blank LGOA letterhead and I think we'll have this all done.

Thanks so much.

Take Care.
