South Carolina State Parks

at 17:00:01 on 7/24/2013 UTC · 🌐

Wondering why folks have been acting a little strange the past couple of days? This photo from the Myrtle Beach State Park pier taken last night should explain!

Maggie Ruth Cochrane love it, its the super moon, we have one more left in the year!

Duke Silver Been looking at this the past few nights from half the world away wondering if my people back home saw the same thing. Weird, awesome pic

at 17:43:10 on 7/24/2013 UTC

Benji Glenn I was there and watched it come up! It was almost red when it first came up. Awesome!
