South Carolina State Parks

at 14:53:25 on 8/16/2010 UTC ·

HAPPY MONDAY! If any of you are teachers out there, as you head back to school and plan your field trips -- keep in mind the SC State Parks' Discover Carolina Program!

Program Overview for the South Carolina State Park Service's Discover Carolina Program

South Carolina State Parks Discover Carolina educational program provides academic standards-based field trips to the State House and State Parks for public school children in kindergarten through 8th grade. The program enhances traditional classroom learning by providing hands-on experiences in the...

Donald Morgan I took the teachers' course this summer and it was the best thing since sliced bread. A wonderful program to share with your students and to plan a field trip at any one of the Discover Carolina sites. It is a win-win situation for everyone involved.

Bob Bannister Are there any programs at Aiken State Park? Many of my students live on State Park Road in Aiken County. A local field trip is often the best.

South Carolina State Parks Bob, there are no official Discover Carolina programs at Aiken State Park, however, you may contact the park about a ranger-led program. They would be glad to help you out. They also hold canoe/kayak programs from time to time at Aiken. The nearest park to you with official Discover Carolina programs is Redcliffe Plantation located in Beech Island. You may contact Redcliffe at (803) 827-1473. Thanks!
