Dear Governor NICK Haley,

I am writing this letter to see if you can help me with some information. I am staying with my Grandmother at this time. Till I can find a place of my own. However my Grandmother's income isn't very big and she is on a fixed income. SHE does the work for her but because of the Government Housing Rule about it is that I was unable to apply for a place. I told her please if you know anything about it or if I can't find a place I am not able to work. I found there are Government Grants available but I don't know how to go about applying for them. Is there anyway you could help me in this matter? I sure would appreciate it if you could help me in anyway or even hook me up with the right people. I just don't know what else to do. my Baby is 10 months old. ALGEMER said I was saying that I could work in a store. Please my Baby is 10 months old.

Sincerely,

TODAY AM

I Thank you for anything you could possibly do.
