Subject: Annual Report to General Assembly RE: 56-10-553

How can I obtain a copy of the latest filed report as required under 56-10-553? This report includes the number of vehicles registered in the state, number of people who paid \$550 each year, number of penalties for uninsured motorists, revenue collected for penalties, net funds available in the Uninsured Motorist Fund, net funds received from the Dept. of Insurance from the uninsured motorist fee each year, and what programs were implemented to ensure compliance with our insurance laws.

Is it available on line or must I physically request a hard copy?

Thank you for any direction you can give me on this issue.
