Attachments: SSHLtGovBiz17063014581.pdf

Good Afternoon Lt. Governor,

We have a nomination for Ms. Cynthia Port to represent Coastal Carolina on the Alzheimer's Resource Coordination Center Advisory Council. The statute asks for representatives of specific organizations but is open-ended allowing other organizations to be represented. Anne Wolf has strongly endorsed Ms. Port and the insight that she could bring to the Council and I have provided her with the nomination application now that I have it put together.

I have a letter from the Dean of the College of Humanities and Fine Arts at Coastal Carolina endorsing Ms. Port and her qualifications, which I've attached.

Would you like to appoint Ms. Port to the Council?

If so I will completely the process once her completed application is received.

*Best Regards,*
