**OLD BUSINESS**

**PURCHASE OF SHERIFF'S COMPUTERS (STATE CONTRACT)**

Mr. Young told that this was on the last agenda and was referred to the Public Safety Committee. The Committee asked Richard Gaddy to check with the Sheriff concerning funding more than three of the computers from his drug fund. However, the Sheriff told him that he could not do that as he has to go by the guidelines for spending those funds.

Mr. Young told that this mandate was given with short notice and could not have been budgeted for. He explained that the letter from SLED states the problem with Microsoft and the need to either replace the current computers or purchase a Custom Support Agreement with Microsoft which would be costly. He told that this is a statewide issue. The total cost for 22 computers (11 desktops and 11 laptops) is \$38,230 (22 computers). The Sheriff's drug fund will cover \$4,961 (3 computers) and the Detention Center budget will cover \$5,896 (3 computers). Mr. Young told that the funds needed are \$27,373.33 and can be come from the Computer Services budget, causing it to run over budget. **Bobby Moody motioned to approve funding the purchase of the (16) new computers at a cost of \$27,373. Archie Scott seconded and all were in favor.** Mr. Holder stated the old computers are not worthy of updating.

**ADJOURNMENT**
