Hi Melissa,

I just spoke with Nicole at the Heart of the Carolinas. She is confident that she can staff this case. Could you call me when you get a chance so that we can set up a possible time for us to meet to discuss this. Thanks.

I have called everyone on the list for the Greenville/Spartanburg area. Some say they will call back and I never hear from- so that tells me that they can't staff it.

I hate that it has been difficult to staff this. Have you tried Heart of the Carolina's is Greenville? I have had some luck with them. I can try in the morning to see if they can staff it. Have you heard anything from Ryan Jakeman yet? Give me a call tomorrow and we can discuss in more detail.

Chaka: If we can't find an agency from this list to staff those nursing house, then we need to schedule a hearing with the state.

I have called all the number for Spartanburg and Greenville the rest of the providers on the list are in other cities Columbia, Rock Hill etc. that do not service the Spartanburg Greenville location.

I appreciate your help.

Thank You,

Chaka:

I have also called Comfort Care Providers: no answer when I call several times.

And I think you had checked above and beyond- also I think we tried them in the beginning and they could never staff the hours.

Circle of angels I have called no luck

Divine home Healthcare I have call no luck there either.

I think the rest of the companies are out of Mauldin, rock hill, Columbia, etc.....

I have asked this question before due to the state having limited nursing company's for private duty nurse. Can the 21 hours be converted to attendant care/aide care hours.

I appreciate your help.
