---

OK – confirmed I don't have anything. Sorry. (Well, whatever – you know what I mean)

I don't think I have anything, but I'll look in the AM. Thanks.

Subject: FOIA - Spent Fuel at SRS

Tom Clements with the Alliance for Nuclear Accountability has made a FOIA request for all records concerning the receipt and storage of highly radioactive commercial spent fuel at the Savannah River Site for "consolidated storage".

If you have records (email or otherwise), please give me copies by tomorrow afternoon. Thank you for your help.
