Hi Danny,

That's great! We'll mark him as attending for the reception. Please let me know if he will attend the entire event, and whether he will bring any staffers to the reception.

Thanks!

Whitney

Don't miss out on this year's Business Speaks!

At the Summit this week, the Chamber finalized our 2018 Competitiveness Agenda, and we're not wasting any time before we take it to our state legislators. On January 23, we'll host [Business Speaks at the State House](#), a forum to hear from your elected officials about these issues, followed by a reception where you can engage with them and their staff members to share your thoughts.

Make plans to join us today – view our [tentative agenda](#) and [register here](#)!

Best regards,

Whitney
