Hey Sue,

As you can imagine, we have all been overwhelmed by the last few days as we work through recovery issues. This is on the list of issues we are working through over the next several days. We'll notify you when a decision has been made. Please know we are all working very hard on behalf of SC citizens.

Thanks, Holly

Subject: Legal Assistance to SC Flood Victims- Please share!

All:

Thank you for your interest in helping the SC Bar provide legal assistance to those who have been affected by flooding in South Carolina this week. We are still in the process of determining

how best to divvy out the requests for assistance that we hope will pour in over the next few days. As a start, we ask that you help us spread the word about the SC Bar Disaster Victims' Hotline. See attached the DLS press release and below sample social media blurbs to post on your social media pages and to forward to friends and organization members. Please share with your offices, listservs, and other civic groups in the affected areas. I will be in touch again about how your organization may specifically help the SC Bar's efforts.

Thanks again.
