In honor of South Carolina Public Servant Recognition Week, I am pleased to announce that the State of South Carolina now offers the TicketsatWork Discount Program to all state employees. This free program is affiliated with the PerksCard program currently available to employees.

TicketsatWork offers discounts, special offers and access to preferred seating and tickets to top attractions, theme parks, shows, sporting events, movie tickets, hotels and much more.

Employees can enroll in this program by visiting the [TicketsatWork website](#) and clicking "Become a Member". Employees should ONLY use their personal email address when registering and NOT their work email address. They will also need to use the company code: SCDSHR. For details on how their information will be used by the TicketsatWork Program, employees can read the privacy policy found at the bottom of the web page.

Attached are flyers with information concerning the TicketsatWork Program which can be provided to both current employees and to new employees as part of their orientation process. Please forward this information to your employees as appropriate to ensure they are aware of this program.

This program is being offered in addition to the current WeSave and PerksCard programs which will remain available.

Click [here](#) for additional information concerning this program. Please note that TicketsatWork is a third-party vendor, and questions or concerns about the website or offering should be directed to TicketsatWork.

If you have any questions please contact Heather Keever at 803-896-5300.
