Marcia,

I just wanted to let you know that I watched the Governors message last night and I was a little disappointed that he did not acknowledge you more. I feel that it is because of YOU that we have come so far in a short time. I felt alot of pride when I saw you stand up at the Governors State address. I'm sure that JT and Ronnie helped to some degree but I feel that the real appreciation should go to you and to the employees of the DMV for the sacrifices and hard work to make a better DMV. I would just like to thank you for all you have done for us and for the feeling of pride I felt when the DMV was mentioned. Again thanks so much!!!
