Congratulations to the employees who won our Customer Service Awards at our annual Park Manager's Conference. Winners are (left to right) Jimmy Thompson from Santee State Park, Heather Ramey from Myrtle Beach State Park, Matt Elswick from our Central Office and Mark Klosterman from Hickory Knob State Resort Park. Not pictured is Bill Williams from Kings Mountain State Park. Help us congratulate these folks!

Ray-Jessica McFaddin Mr. Thompson is always, always, always a delight to run into when we take our children to Santee. He is professional, courteous, and oh-so personable. I'm quite sure he sees many faces, too many to count, yet he always makes one feel like he saw you just yesterday. What a great treasure Santee has in him. Congratulations!
