Not entirely sure this is going to be possible before this afternoon.

Danny, can I reach out to DHHS and DHEC? Or are we too close to the press conference to do that?

Planned Parenthood and other family planning clinics would be sub grant recipients of federal grant money as facilities under Medicaid Title X grants administered by DHEC, DHEC is the initial federal recipient, I am not sure what or if there is a state match in the budget.

Federal and/or state?

Facility funds and/or Medicaid reimbursements?

If you want Medicaid reimbursements, do you just want the amount reimbursed for abortions or total amounts reimbursed to a clinic that provides abortion?

Can you see if we can find out how much money goes to abortion providers via Medicaid?
