Subject: Lexington County Legislative Delegation Board and Commission Appointments

John,

I have been unsuccessful in reaching you by phone and yesterday, your voice mailbox was full. Cathie McCarley came by the office this morning and asked that I send you this e-mail.

Please provide me the name of the person who will be handling the Governor's appointments for the various boards and commissions for Lexington County. I have a number of appointments from the Delegation's meeting last month that I need to send over to your office.

Also, as in the past, a copy of that appointment letter has been normally forwarded to this office as a part of the appointee's official file of record. I am attaching a copy of my excel document in which I do not have those letters of appointments for the past couple of years. It would be most helpful if I could obtain a copy of said letter for those appointments in addition to all future appointments when that list is forwarded to your office.

Please note that this office is only open Monday-Friday from 8:30 AM to 12:30 PM. The office phone number is 785-8184. My cell is 920-3975.

Thank you very much for your assistance with this request as I am new at this job as of March 10th and we are trying to bring all our records up to date.

Linda M. Griffith, Secretary
Lexington County Legislative Delegation
