Subject: Office of Lt. Governor-County Convention

Good afternoon,

I just wanted to inform you that the Lieutenant Governor will not be able to attend the Charleston County Convention, scheduled for April 20, due to a prior commitment. It is my fault for trying to confirm this appointment with your party without fully understanding the Lieutenant Governor's calendar, and apologize for any inconvenience I may have caused you. Please let me know if I can ever be of assistance to you or your county party.

Sincerely,

Hayden Grooms
