Subject: Texas Gov Rick Perry's Visit to PTR

Hello Nicole,

I am sure that Gov Haley already knows that Texas Gov Rick Perry is going to be in Horry County on Tuesday, November 11th. I just wanted to let you know that Gov Perry will be at PTR Industries for a tour of our facility and to facilitate the transfer of a Texas State Commemorative Gun to the Special Operation Wounded Warrior (SOWW) Group. The purpose of this email is make sure that Gov Haley knows that she is invited and welcome to attend this event in our manufacturing facility. Gov Perry will be here at 2:30pm. Please let me know if Gov Haley would like to be here so I can make the appropriate arrangements.

Also, please pass on to her that we have Gov Haley's campaign signs posted in front of our building and that we here at PTR are big fans/supports. She is an outstanding Governor and we are all very confident that she will be re-elected.

Thank you,
