South Carolina State Parks

at 18:00:01 on 4/07/2016 UTC · 🌐

Sometimes our visiting school groups find interesting things! This week, while studying water quality at Lee State Park, a student scooped up this siren -- a type of salamander! We took a look at the fellow and returned him to the pond. Come see us and our sirens at Lee State Park: www.southcarolinaparks.com/Lee

Spring Slagle What lucky kids!
