Dear Honorable Governor Nikki R. Haley,

GOAL: To strengthen international relationships and thereby the happiness and peace of mankind.

PURPOSE: To increase mutual love, cooperation, and understanding through sharing of opinions and experience in an international interchange program of culture and spiritual objectives; to stimulate togetherness, love each other and have concern for our neighbors through heart in heart participation. – *Volunteer International Exchange Program and Support-*

MOTTO: Mutual interchange service, friendliness, humanity, devotion and dedication to each other. Not with speech or tongue but with truth from the heart.

We recommend honorary members for our International Volunteer and we need your greeting or messages for our volunteers. We will continue our strong relationship and friendship. We update our Mankind Peace Book annually. We request a photograph, a short speech letter, and we will make a great history book. Your cooperation is appreciated. I hope you will volunteer today, whatever the situation. Please let me know when you can volunteer program activity. We hope to hear good news from you soon!

May God Bless you!

Sincerely yours,

Dr. John B. Park
