Rev. Silas E. Watson,
Lake City, S. C.

Sir:

The Columbia Housing Authority is now ready to pay for the property which you have agreed to sell to it, and we are enclosing for execution by you a deed. Please sign this on the line numbered 1, in the presence of two witnesses, who sign on lines 2 and 3. One of the witnesses should then sign on line 4 in the presence of a Notary Public, who signs on line 5 and attaches his seal.

If you are married, it will be necessary for your wife to renounce her dower by signing on line 6 in the presence of a Notary Public, who signs on line 7.

We will forward you check promptly upon receipt of this deed properly executed.

Yours very truly,

ROBINSON & ROBINSON
