Dear Mr. Adams,

I'm writing to follow up about interviewing Governor Haley for our segment about women in the GOP. Have you had a chance to review our request? Please let me know if there is any more information I can provide or questions I can answer. I'm happy to hop on the phone as well to discuss this in more detail.

Thank you again for your consideration, and I look forward to hearing from you!

All the best,

Julie

Dear Mr. Adams,

I work for Full Frontal with Samantha Bee, a news entertainment show on TBS. We are developing a segment on the efforts of GOP women to unite the party and grow their presence in party leadership. We would love the opportunity to interview Gov. Haley about her experience in the GOP.

Our host, Samantha Bee, would conduct the interview ahead of the show's air date as one of our field segments. We'd love to schedule the interview for sometime next week, but we're flexible if that's not possible under such short notice. The following are examples of these types of segments to give you a better idea of what the finished piece might look like:

- [Jim Christiana](#)
- [Mel Immergut](#)

Please let me know if the governor would be interested in participating or if there are any questions I can answer. I look forward to hearing from you!

All the best,
