## The Care Coordination Congress

Hi Tony,

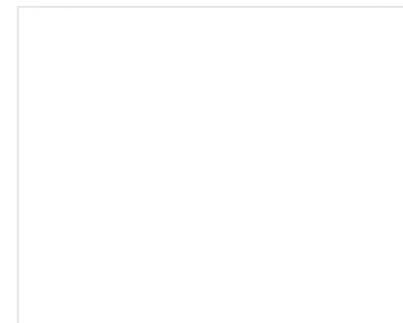

**The Care Coordination Congress** is your one-stop conference destination for unlocking critical management techniques to improve outcomes.

With two distinct tracks—one on long-term care for dual eligibles, the other focused on the integration of behavioral health—and a pre-conference seminar on developing a successful SNP, it's easy to see why this all-access experience is a must-attend event!

Join speakers from **IlliniCare, Health Plan of San Mateo, L.A. Care, Blue Cross Blue Shield of Idaho, MDWise, Commonwealth Care Alliance, Blue Plus, UnitedHealthcare, Care1st, WellPoint**, and other thought leaders from health plans, provider groups, and industry experts as they navigate the complex waters of improving outcomes for members while containing costs.

Whether it be through developing new primary care models that include behavioral health as a core component or unique systems for LTSS management and oversight, our speaking faculty is here to share their experiences and help you work through the kinks in your managed care environments.

Register today and join us **August 24-25th** at the **Paradise Point Resort & Spa** in **San Diego** for **The Care Coordination Congress!**
