Rit,

As a brief follow-up, here's a list of the current members of our working group. I wanted to reaffirm that they were comfortable with me relaying it before I passed it along to you.

In looking back at your email from yesterday, I don't see a CC line on it for your assistant. He/she may well have been blind-copied on it – I just wanted to be sure we didn't miss the opportunity to connect later this week. Thanks again.

Christian --

Mayor Bloomberg asked me to follow up with you; I lead his environmental grant making efforts. Perhaps we could aim for a call on Thursday?

I'm copying my assistant and he can help with scheduling.

I would be grateful if you could please send me a brief description of the concept for which you are seeking funding a day or two before our call. Could be as brief as a paragraph, but it will help me come to the call prepared.

Thanks much

Rit
