Private partnerships continue to improve & enhance visitor areas in state parks! This summer, Colonial Pipeline Co. donated \$5,000 to Sadlers Creek State Park for the development of an ADA walkway from the picnic shelter to the restroom. Many thanks to our partners at Colonial Pipeline in Anderson, SC! [www.southcarolinaparks.com/sadlers-creek](http://www.southcarolinaparks.com/sadlers-creek)

**Michael Moss** We enjoy going to Blacksburg to the Kings Mountain State and National Park!! Very relaxing!!
