South Carolina State Parks

at 19:00:00 on 6/14/2017 UTC · 🌐

Hey dads! Want free admission to Charles Towne Landing this Father's Day? Dads get in FREE in exchange for a bottle of cologne or aftershave. Why cologne and aftershave? Zookeepers sprinkle various scents in the animals habitats to stimulate their natural behavior of tracking and investigation. So Dads, unload your extra cologne or aftershave by bringing them to Charles Towne Landing on June 18 and enjoy your special day at the park!

west of the Ashley - Charleston, SC We will NO LONGER be promoting nor supporting Charles Towne Landing State Historic Site or any of our other South Carolina State Parks if you follow through with ANY plans to remove the "Landing Brave" statue from Charles Towne Landing. The individual(s) who proposed this insane idea need to be terminated and not involved with any future decision making regarding Charles Towne Landing.

Clayton Potts Boycotting all South Carolina State Parks if the Landing Brave monument/statue is removed from Charles Towne Landing. The mere thought is a TRAVESTY and is INSANE! #boycottscstateparks #keeplandingbrave

Geoffrey Michael Richardson Perhaps attending the park and taking a pic with the statue and sharing your personal stories/feelings would be an additional way of actually supporting KEEPING the statue. Your tax dollars are paying for the state parks so they've got your money either way.
