Friends,

On behalf of the entire RSLC team, I would like to wish you a Merry Christmas and Happy Holidays!

We are so grateful for your support and engagement with our organization. Our success would not be possible without the relationships we have formed with so many of you.

Republicans have a lot to be thankful for this year as we went into 2017 with historic highs for state-level Republican elected officials.

But we know these achievements were not possible without our hard work and your support and we are ready to hit the ground running in 2018 to defend and elect Republicans up and down the ballot next year.

Regards,

Matt Walter  
President  
Republican State Leadership Committee
