Tim:

I just wanted to take a minute to thank you, your staff and Governor Haley for a quick response last week when the business community needed the Administration to step in.

Katherine, in particular, has been a pleasure to work with and is always on top of the pressing issues at the State House.

The entire staff from KV and Josh all the way up was great in making sure that the PCA fix was signed into law quickly.

We have since received "unofficial" word that the environmental community was planning at least 4 other lawsuits that were directly prevented by the passage of the legislation.

We are also hopeful that due to Governor Haley's signature last week, that the Santee Cooper lawsuit could be dismissed because of the effective date (more to come on that).

Again, thank you for all your help and please let me know if I can ever help with anything.

Darrell
