Suzanne Horn:

Kevin,

Hello! Hope that you're having a great day. I was wondering how do I set up an appointment to meet with the Attorney General? Have a great day!

Suzanne

Ed Schafer:

Hey Lieutenant Governor Bryant - I hope you are doing well. I have given Lily more information about an Advocacy Day on Wednesday (April 26th) at 10:30 am on the north steps of the State House. Over 400 SC residents will be in attendance promoting independence for people with disabilities. I know the Senate may be in session but we would be honored if you could come speak to our group for a few minutes at 10:30. Please let me know if you think this is a possibility. Thanks so much! Ed

Darron Barksdale:

Kevin, How could I meet with you in columbia? I have a very unusual story that has devastated my pharmacy career. I was placed on a theft database for getting an emergency supply of depakote for bipolar. It keeps you from hire for seven years. I can no longer get work the last four years even though I've never lost my license. I need to address this is the state. No other pharmacist has been put on the Esteem database. CVS never validated if I had a prescription during that time period or Not. Best Regards, Darron Barksdale,Rph 864.313.0712

Mr. Barksdale is as far back as it goes (March 10).
