Ken: Katherine told me a few minutes ago it is not unfounded. She is sending me more info in an email today. Swati may clarify too as she is copied on this as well as Katherine. Thank you.

**Subject:** DSS Oversight Subcommittee

I spoke with Senator Young this afternoon concerning the DSS Oversight Subcommittee meeting on Tuesday. Specifically, we spoke about the department answering questions related to the recent deaths of the five children from Lexington County. It is my understanding that the department is willing to answer questions related to this matter pursuant Section 63-7-940(A)(9) – but not willing to do so in open session.

Can you confirm for me that this is an unfounded case (or cases), and that an unfounded report, as defined in Section 63-7-20(24), was filed with the department?
