scstateparks #Repost from @kellicox! We love our Ultimate Outsiders! Who else is partaking in this adventure?? --- If you live in South Carolina and haven't gotten one of the books yet...you must. It is a great guide to all the State Parks in South Carolina. The book is only \$2 but you get a \$2 coupon when you purchase the book. You stamp the book at every park you visit and when you have visited all 47 you get a free Ultimate Outsider T-shirt. After this past week we have officially visited half the parks. Colleton State Park was our first Coastal Park at the beginning of the week. #scstateparks #UltimateOutsider

kfields67 My favorite will probably always be Table Rock because it's so close to home and I grew up going going there.
