Subject: Re: From Sherri Zedd -- Sun City Hilton Head

Thanks Katherine -- I got an email from Nicole Priester that Governor Haley will be happy to speak to Sun City Hilton Head on October 6, 2014 at 2 PM.

We are really excited to have the Governor visit Sun City.

Thanks again -- Sherri

Sherri,

I will look into this and follow up.

Thank you,

Katherine

Subject: From Sherri Zedd -- Sun City Hilton Head

Katherine -- On August 26, 2014, I emailed an invitation to Kurt Pickhardt for Governor Haley to speak at Sun City Hilton Head on October 6, 2014. The invitation is below my signature.

The Governor is already speaking to the Beaufort Republican Women's Club that morning followed by a speech to Hilton Head's First Monday Club at their luncheon.

I followed up with Kurt and he submitted the invitation to scheduling. We are basically looking at an afternoon spot for Governor Haley to visit Sun City -- around 3 PM.

It would be greatly appreciated if you could please follow up with the scheduling department and put in a recommendation to them for an October 6, 2014 Sun Ciity event for the Governor. My invitation noted that the event would be open to the entire Sun City Community. As you know, our Sun City has some of the highest voter turnouts in South Carolina.

If the October 6 date does not work, we would be happy to schedule an event on another date that would be better for the Governor's schedule.

Thank you for your time and attention to this matter.

Sherri

Mr. Kurt Pickhardt
Executive Director
SC Victory
1913 Marion Street
Columbia, SC 29201

Dear Kurt:

The Republicans of Sun City Hilton Head would be greatly honored if Governor Nikki Haley could speak to the Sun City Community either before or after her speech at the joint event, sponsored by the 1st Monday Republican Club and the Hilton Head Island Republican Club, on October 6, 2014.

A Sun City event would be open to the entire Sun City community and would be widely publicized. Our format would be a 15-20 minute speech with question and answers, although we can tailor this to the Governor's requirements.

Could you please let me know if would be possible for Governor Haley to speak to Sun City on October 6? If this date does not work, we would be happy to schedule an event at another time that would work with the Governor's schedule.

Once we have settled on a date, I will submit a room request and send you the Political Package that sets out rules governing the event. A signed copy of the Political Package is required to be submitted to our Community Activities.

I know you are familiar with Sun City Hilton Head. Our active adult community now has a population that is over 14,000 and growing. Sun City's precincts have some of the highest voter turnouts in South Carolina. Politically, the majority of residents in our community are Republicans, but more Democrats and Independents have been locating here in recent years. The Sun City Democrats are getting more active and will be pushing their candidates heavily during the fall. However, the Republicans of SCHH have been hosting successful political events for many years and we are working hard to ensure that Sun City residents get a chance to hear from our Republican candidates this fall.

Thanks for considering our request for Governor Haley to visit Sun City Hilton Head.

Sincerely,

Sherri Zedd

Past President, Republicans of SCHH and

Candidate Event Coordinator
