Dear Governor Haley,

I am writing to request that you vote against HR1745 being introduced by Rep DeLarno. Her argument is without merit as it is the most popular sporting and self defense weapon in the country today. And her idea of a \$2000 credit would allow the verage owner of an AR-15 to turn one ina and go out and buy two or an upgraded version and have money to spare.

Further the normal owner of one of these weapons is nomore likely to use them improperly than a member of congress is. Likewise FBI and LE stastictics show that their use in actual crimes is not even countable.

This is just another attemp to infringe on the 2nd Ammendment rights of honest hard working citizens.

Please vote NO on this bill and show your constiuents that you actually care about their rights.

Sincerely,
Thomas Brandon
