From LG: I've known the family for over 20 years, watched Ashley grow up into an intelligent, caring person....

I spoke with Ashley this morning, she said no problem to him not being available. She still wanted to have a meeting with him, found out it was to get a recommendation for law school. I told her that I generally handle the recommendation letters and I would be happy to check and see if he is willing and then work with her on that. Please see if he would like us to do a recommendation for her. She asked if she could have a generic recommendation and one specific to UGA.

Danny,
Checking on what you would like to do. I think I failed to mention in my previous message that Ashley wanted to have lunch with the Lt. Gov to discuss the panel.

Good Afternoon,

I just spoke with Ashley Jordan. She wanted to discuss a program that she is running for the kids at New Foundations Group Home through Foothills Alliance, one of their projects is a garden that they use to teach about non-violent

intervention. They are looking to host a panel of public officials so the kids can learn more about public officials, what they do and their positions. The panel event would be on October 21st with the time TBD.
