Ok, we need to make a list of all of the invitations to WHCA dinner before responding to any of them.

What does that day look like on the calendar?

Subject: Invitation for Governor Nikki Haley to the White House Correspondents' dinner

Dear Chaney,

On behalf of Michael Bloomberg, we would like to extend an invitation to Governor Haley to be a special guest at the White House Correspondents' Dinner on Saturday, April 30, 2016. Bloomberg, the media and financial data company founded by former New York City Mayor Michael Bloomberg, is once again gathering the most exciting and interesting people in news, business, entertainment along with top government officials for Washington's biggest weekend. This has been a most remarkable year for the Governor, and we would be so honored if she could join.

Mayor Bloomberg will begin the weekend with a small private dinner Friday evening. Bloomberg is the co-host of the most exclusive and intimate party of the weekend - the Bloomberg/Vanity Fair After Party immediately following the dinner which includes the top 300 guests of the evening. It's a wonderful way to end the evening at the French Ambassador's historic residence.

This is the 102nd anniversary of the White House Correspondents' Association Weekend. The dinner begins with a VIP cocktail reception on the terrace of the Washington Hilton Hotel at 6 pm. The black-tie dinner officially starts at 8 pm, when the president and first lady are seated.

It would be an honor to host Governor Haley, and we promise a memorable evening.

All best wishes,

Robin Goldman
