Thanks – I'm just getting a chance to take a look now. Little tied-up yesterday. Heh heh heh – thanks again.

Hi Christian,

Annie E. Casey released the 2013 KIDS COUNT data book and new website yesterday. We've put together a packet of information that's being distributed to all legislators and I'd like to drop off a few with you all this afternoon (hopefully before the presser). I'll just leave them up front with your name on them. Let me know if you'd like additional copies or information.

Thanks,
Megan
