Dear Mr. Pitts,

My name is Caroline Plowden, and I am writing at the suggestion of my grandmother, Daisy Harman. I have recently graduated from the University of Virginia, am living in Columbia this year while making plans for graduate school, and am interested in working part-time in Governor Haley's office with her re-election campaign, or in the State House in general.

A graduate of Heathwood Hall Episcopal School, I have close family ties to both Columbia and Lexington and actually had the pleasure of meeting Governor Haley at her Inaugural Ball. I am currently working part time at a law firm, and my hours are flexible. You will find a copy of my resume attached, and I would also be happy to provide references should you need them. I would be grateful for the opportunity to meet with you to discuss the possibility of part-time work. I look forward to hearing from you soon.

Thank you so much--

Sincerely,
Caroline Plowden
