Subject: Jay Timmons (Nat'l Assoc of Mfgs) Remarks

Ashton,

It was good to meet you in Naples recently – I hope that you were able to pull up the photos of the event without any issues. Unrelated to that, the Governor and our CEO, Jay Timmons, spoke earlier today and Jay had mentioned that he wanted her to get a copy of the remarks that he delivered. His remarks call for the business community to take a more active role in unifying the country during such divisive political conditions – and they echo many of the themes that the Governor stresses.

Thanks,

Keith
