Katherine,

Thank y'all for coming to Greenwood this morning! My children were with me visiting the Governor. You gave me your card to contact you to get copies of the pictures you took of my children and the Governor. Their names are Bennett (9) and Anna Kate Erickson (6) if you need that info -if you'd like to tag me on the pictures that is fine, too - Tracey Erickson. Thank you for the opportunity to meet Governor Haley.

Thanks again and good luck on Tuesday!

Tracey L. Erickson
