The Saint Michael Lutheran Church will be hosting a Fellowship Service in conjunction with Changed Lives Ministry on Sunday, October 8th, 2017 at 6:00 pm in the Fellowship Hall of the Church located at 321 West Main Street in Moncks Corner, across from Berkeley High School.

This is an invitation to you and members of your congregation to attend this special service. Your support is important to us and even more to the Changed Lives Ministry. An offering will be taken to assist its ongoing drug and alcohol ministry and in rehabilitating its residents through a Christ centered program.

Please come and enjoy an evening of fellowship and worship, and be encouraged and inspired with a message from God's Word.
