South Carolina State Parks

at 12:30:01 on 7/27/2018 UTC

#6 on Director Phil's list of things to see & do in South Carolina's state parks - The historic Poinsett spillway. As you walk from the lake and follow the historic canal of water to the spillway, be sure to go below the spillway and take in the view. The stair steps built by the Civilian Conservation Corps provide a unique perspective of falling water, perfectly fit for the "mountains in the midlands."
