The Gloverville Congregate and Home Delivered Meal Site in Aiken County is located in Our Lady of the Valley Catholic Church. Late last week, the Aiken Area Council on Aging was notified by Sister Katherine Marie that the windows and the roof of the building that the Congregate and Home Delivered Meal Program is operated out of were going to be replaced the week of January 28- February 1, 2013 and that the congregare and home delivered meal program would need to relocate for the week. The Aiken Area Council on Aging will be providing the following coverage for the clients served out of the Gloverville Site: Home Delivered Meals—Senior Catering will be delivering food for the home delivered meals to the main Aiken Area Council on Aging office. The meals will be packed in Aiken and then driven to a church in Gloverville for the volunteers to pick up the meals from the site manager. Congregate Meals-the congregare meal clients were offered the option of attending the congregare meal site program at another location (Aiken, Windham House, Jackson or Wagener) for the week. Please let me know if you have any questions. Mary Beth
