I am so sorry this happened (and concerned). I am copying a member of the Governors staff on this email. They have someone who is following up on these issues. Let me know if you don't hear from them in the next week. Thanks for contacting me. Phyllis

So I complain and offer that maybe the apostrophe in my name is causing problems. This is the reponse I got in the attachment. If they can't even tell that I am a state resident (for 13 years) how am I supposed to trust them to protect my ID?
