[irishbeard_](#) One of my favorite trails!
at 13:45:34 on 1/31/2021 UTC

[patpooh8143](#) The trail leading to Rainbow Falls needs some serious clean up and so does the falls, our last trip a couple months ago was very disappointing you can't even make it all the way up to the falls for the fallen trees. Please work on it. Went 3 years ago and it was amazing, 2020 terrible...
