Hi, we posted a picture under the comments of your Halloween post w/Ranger Rick @ The Myrtle Beach State Park. We also told him what it was for. Do we need to do anything else?

Oops Ranger Nick sorry for the typo.

Thank you, I do have 1 question, we have had the passport since 2015. :) ours expires in Feb. Will this be starting say today, or can we "activate" it when ours expires? Thank you very much in advance.

We will date this one to begin in March 2018 and expire in March 2019. Will that work?

Tracy, just wanted to give you a heads up. Your passport will mail out tomorrow. Remember, it's not effective until March 2018, so please don't use it until then. If you do, the folks at the gate may keep it, as we are not supposed to send them out early, but I wanted to go ahead and get yours out to you. Thanks!

Thank you & no problem, I will not use it until March :) I have our active one. Thank you so much again! Have a nice day.

Thank you, we received the pass today. Also thanks for the bonus pen & pack. The pack will be perfect to carry Raven's (our dog) beach items. :)

Have you guys have any thoughts on re-opening some or all of the parks (or at least the beach ones) maybe to only existing season pass holders only?
