NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

On behalf of the people of South Carolina, I am pleased to welcome you to the Opening Dedication Ceremony and Ribbon Cutting of the railroad trestle at Mill Creek.

This is an exciting day for residents of the community and outdoor enthusiasts throughout the region. A milestone has been reached in the venture to develop the old Savannah River Railroad bed into a scenic recreational trail that showcases and preserves the historical significance and natural beauty of the area. Working with all levels of government, dedicated individuals have given generously of their time, talents, and resources to advance the entire project, and the trestle will long be a reminder that dreams can come true.

I regret that my schedule is pulling me elsewhere, but Michael and I hope you have a wonderful time during the Savannah River Trails / Frank Clayton Annual Trail Event, and we wish you many great days of hiking and biking in the future. God bless.

My very best,
