Turning out of Wescott Ridge is very dangerous when people already speed on the rd

I am signing this because 55 mph in front of my house is NOT safe for anyone and also there is a school next door to me. There is no way you can get out of your drive with cars zooming by at that speed.

I have seen many near accidents at the entrance to Westcott Ridge and Broad River Road. Need stoplight or speed limit reduced to 45 mph on Broad River Road.
